

When prospects are looking for your [martial arts school](#) they'd better find it here!

We are proud to introduce the launch of Martial Arts Local ([www.MartialArtsLocal.com](http://www.MartialArtsLocal.com)) a powerful and fast local-search-based martial arts business directory to the industry.

School owners can search the database to find their schools, check their listings for accuracy and then enhance and add to their existing business profile or add their school, pro-shop, supply stores to the system.

Though you can get listed for free, a side benefit of getting an enhanced listing is greater visibility in search engines (Google, Bing and Yahoo! and others) as well as direct searches performed at Martial Arts Local. As we promote Martial Arts Local -- your business will benefit even more.

The system is localized and optimized to deliver local search results to USA consumers nationwide. All styles are represented: Kung Fu, Karate, Judo, Jiu Jitsu, Aikido, Hapkido, Tang Soo Do, Tae Kwon Do, Krav Maga and more.

We have many new features coming and all are focused on providing martial arts business professionals greater promotion and marketing visibility for their MA or fitness products and services.

Visit [MartialArtsLocal.com](http://MartialArtsLocal.com) our local search based [Martial Arts Directory](#) to get enhanced! and start driving new traffic to your business.
